- (2) OTR cannot announce the number of Operations Courses in 1956 until expected enrollment is known. This enrollment data for '56 on Operations Support Course and the advanced courses is required also from the CSTC.

Evaluations Procedure

2. [Redacted] described the student evaluation procedure used in [Redacted] pointing out that it is a concise, systematic procedure which makes the maximum utilization of multiple-raters. Its principle objective is to measure the facts, principles, and actions which the students are expected to acquire from the course. A similar evaluative procedure will be developed for the new operations course as soon as possible.

Reserve Officer Training Course

3. The Chairman, CSTC, reported that from the statements of five reserve officers who attended the course given recently the program was most enthusiastically received by all officers.
